

REPORT OF EARTH DAY

“If you destroy the earth,

You destroy the chance of life”

Earth and the resources of the earth makes life possible on it. It gives us life, environment and nature with all its beauty. If you want to protect human race and other life forms, we must protect our earth first. We all are responsible to save and maintain our natural beauty and resources of earth.

The World Earth Day is observed world wide on 22nd April every year to make mindfulness about the earth conservation. Each individual can contribute in their manner to make this day a triumph. It is a day that is intended to bring issues to light and thankfulness for the earth as our natural habitat.

Our school had been organized various activities for different classes to create awareness among the students regarding conservation and protection of the earth and it's resources.

List of competition held on 22nd April:

1. Drawing competition on “ **Gandagi mukt mera gaon**” for classes VI to VIII.
2. Poster making competition and slogan writing competition on “ **Save our planet**” for classes IX and X.
3. Essay writing competition on “**Save Environment**” for classes XI and XII.

Our students enthusiastically participated in different activities and conveyed beautiful messages for earth conservation.
